

## A Mosque on Ground Zero!

In an interview with ED Hill on Fox News just after the September 11 attack, Imam Feisal Abd Al Rauf said: "All religions call for love. No religion calls for hate, E.D."

And when E.D. asked him, "What explains "that"? (She was referring to the violence of Muslims around the world....) His response was "This is a political impulse not a result of the Islamic impulse."

I ask Imam Rauf to quote one verse, not an abrogated one, from the Qur'an that teaches love.

Now he comes to the same place of the attack of 9-11 to build his Islamic center and he says, "We understand the anger and the pain. But I devoted myself to minister to the pain and to heal the divide between the country I love and the faith that I practice and love."

I ask Mr. Feisal: How are you going do this healing? By building an Islamic Center to produce more Muslim Believers and Jihadists?

Here are the commands from the Qur'an that drive him and describe his TRUE intent:

8:65 O you prophet, provoke the believers to engage in war. If there will be twenty patient ones of you, they will have victory over two hundred,

9:73 O you prophet, perform jihad against the infidels and the hypocrites, and be harsh with them. And their abode will be hell, and evil is the destination. (No MMs.)

Let's ask Imam Feisal Rauf, "What Islam do you practice: the Islam of takia (lying and deception) or the Islam of the Qur'an?"

Nihad Awad, Executive Director of CAIR,. said on FOX News, he congratulates those who approve the building of the Islamic center. He said "It reflected what is best about America: the freedom of religion, the freedom of diversity and the beauty of the United States."

Hear me clearly: Islam is the religion which will end freedom of religion. Islam teaches that all must surrender to Islam: Christians, Jews, and everybody else.

I give you another verse from the Qur'an:

8:39. And engage in war with them until there will not be sedition and the Religion (meaning Islam) will be completely to Allah.

You need to know: The word freedom never existed in the Qur'an!

Nihad said the ones in opposition to the Islamic Center, including Pamela Geller, "do not represent America, or New York, or the beauty of what this country has been founded on, the freedom of religion."

Yes, America was founded on Judeo-Christian faith, not the barbaric Islamic Cult.

Nihad went on to say, that those who oppose the Islamic Center have made their assumption on a false premise that 9-11 had something to do with Islam.

A false premise? How can that be false when the Qur'an says:

33: 26 And he brought down the people of the book who backed them from their strong places and cast terror into their hearts. A group of them you are killing, and a group of them you are taking captive. 27 And he made you to inherit their land and their homes and their money ...

Nihad said, "I think the fear mongering and this distortion of the facts is the fuel they have been using to divide American among themselves.

Yes, sadly, we are a divided country. And unless the American people wake up and know what the Qur'an and the Hadith (Mohammed's sayings) really say, we will never be united against Islam which is trying to destroy us.

A lack of knowledge will bring destruction to America, as it is written in Hosea 4:6, and we will watch the victory of the Muslim world. Not only will this Mosque be built, but also thousands of others will rise all over America, in every city.

Nihad Awad claims, "The 9-11 attackers have nothing to do with Islamic faith. They have been condemned by the Muslim community, by American Muslims and Muslims all over the world."

That is a lie! The Muslims in America and around the world were shouting, "Allah Akbar," as a shout of joy when the towers fell down. Muslims say over and over, "Those who speak against them are fear mongers."

Who would not be fearful of you, Muslim, when your Mohammad says in the Hadith, Saheeh Muslim:C9B1N31

"I have been commanded to fight against people till they testify to the fact that there is no god but Allah, and believe in me. I am the Messenger ..."

Who would not be fearful of you when your Qur'an says:

2: 216 War is decreed to you, and it is hated by you. And perhaps you may hate something and it is good for you, and perhaps you love something and it is evil for you. And Allah knows, and you do not know.

9: 5 So when the forbidden months are passed, so kill the polytheists (that includes Christians) wherever you find them, and take them [as captives], and besiege them, and lay wait for them with every kind of ambush, so if they repent (become Muslims) and perform the prayer and give the legal alms, so leave their way free. Surely Allah is forgiving, merciful.

9:14 Engage in war with them. Allah will torment them by your hands and put them to shame and give you victory over them and heal the chest of a believing people.

9: 29 Engage in war with those who do not believe in Allah and in the last day. And do not forbid what Allah and his messenger forbid, and do not believe in the religion of the truth (Islam) among those who have been given the book until they pay the jizyac out of hand and they are subdued.

5: 51 O you who have believed, do not take the Jews and the Christians as friends. ...

5: 72 Infidels indeed are those who said, "Surely Allah is the Christ, son of Mary." ....

73 Infidels indeed are those who said, "Surely Allah is the third of three." .....

47: 4 So when you meet those who became infidels, so chop off their heads until you have made a great slaughter among them ...

47: 35 So do not be weak and do not call for peace when you have the upper hand. ...

Pamela Geller rightly tried to say that Nihad Awad speaks deception. And she is right. But this is the common practice of Muslims. What can be more deceptive than to claim that Islam is a loving, peaceful religion when the Qur'an contains over 300 verses that teach jihad, to hate, to kill and to destroy the Jew and Christians? America, wake up! God bless those who stand against this Islamic Center and who take this stand for freedom and for America!
