Her remarkable, personal story which begins in her home country of Iran, will inspire and motivate you to take a stand for those suffering oppression under Sharia.

**Usama Dakdok:** Born in Egypt, in an Arabic speaking, Christian home, Usama is a Christian minister and scholar on Islam. He has translated the Qur'an without sugarcoating it and travels the United States, equipping Christians, reaching Muslims and warning Americans about the destruction caused when Islam's teachings are strictly followed and enforced. His presentation, "America: Freedom Or Surrender," and his Qur'an translation, "The Generous Qur'an" have become must have resources that have helped tens of thousands become informed and equipped to make a difference.
